Book Details:

Review: I purchased this book for a college course I am enrolled in. I realize that it is not a typical text book however I still found it a bit lacking. The first chapter reads like it was written by an adolescent incessantly name-dropping for the sake of credibility. The structure of the writing doesn't lend itself to a better understanding of the subject....

Description: Rockin in Time intrigues students by providing a social history of Rock and Roll music and explaining its influence. This book was written to address an area that seldom has been discussed. Rather than a compellation of the many bands in rock history or a guide to teach the musical notation of rock, this book uncovers the reasons for the various trends...
